Subject: Approval of LV Switchgear Materials

## Greetings,

We refer to your case id 4290914405 for the proposed LV materials. ADDC has reviewed the submittal and please be informed that the proposed LV materials, as detailed below, are **approved by ADDC LV Switchgear Committee (LVSGC)** and included in the List of Vendors for the prospective Supplier of LV Switchgear in the Emirate of Abu Dhabi.

Sr.	Product	Maximum Rating/ Cross section (mm)	Certificate	Manufacturer/
No	Reference		No.	Country of Origin
1.	400A Draw Out MCC PANEL with 400A MCCB, ABB make	400A 2 x20 x 10	UL TEC 00429	MoonStar Electrical Switchgear /U.A.E

- 1. This approval is valid for **3 years** of date of this letter.
- 2. The above approval does not relieve the Contractors in complying with RSB guidelines and ADDC Standards that are applied to the LV Switchgear and Panel Boards.
- 3. All the breakers (both the incoming and outgoing) shall be restricted to the components used in the test or to be tested by any of the approved certified authorities.
- 4. Submission of certificate of conformity for every switchgear assembly, at every delivery.

- 5. Provision of the performance data of the switchgear from the owners of the installation for a period of 3 years.
- 6. Any malfunction or repeated faults during this period may lead to the cancellation of the ADDC approval.
- 7. It is the responsibility of the manufacturer to comply with any updated IEC Standards that would be released during these period by means of additional test as required.
- 8. It is the responsibility of the supplier to keep their customer aware of the special conditions stated in the test reports that restrict the use of the approved materials at different connection environment.
- 9. The company should be registered in ADWEA (www.adwea.ae).

Best Regards,

Distribution Con ENG. Rashed Mohamed Al Mazrooei

Chairman, Low Voltage Switchgear Committee (LVSGC)
